MINNEAPOLIS, May 31, 2018 (GLOBE NEWSWIRE) -- The Tile Shop (NASDAQ:TTS), a specialty retailer of natural stone and man-made tiles, announces a new addition to their ever-expanding collection of marble and stone with the Black Marquina collection.

This fully coordinated collection delivers sophistication and drama. Visit www.tileshop.com or call Customer Service at (888) 398-6595 for more.

Featuring multiple sizes, mosaics and architectural, finishing and trim pieces, the Black Marquina collection is an extensive one that allows homeowners to design full rooms from the same coordinating stone. The polished surfaces of these tiles add a high-end shine to walls, floors, showers, kitchens, backsplashes and more. Subtle white veining softens the look and adds interest with classic marble style.

"Black marble is a true classic that is always sophisticated and never goes out of style," says Kevin McDaniel, vice president of merchandising at The Tile Shop. "This collection is comprised of over 20 products to create a truly unique and elegant space. Use on its own or mix with one of our white marble collections for an even bolder look."

The Black Marquina collection of wall and floor tiles is one of dozens of new and unique product collections being released this month and represents part of a commitment to offer the leading assortment in the industry.
