

The Tile Shop introduces Kedón: a 3-D, large-format wall tile

February 16, 2018

MINNEAPOLIS, Feb. 16, 2018 (GLOBE NEWSWIRE) -- The Tile Shop (NASDAQ:TTS), a specialty retailer of manufactured and natural stone tiles, today announced the release of a new 3-D tile collection called Kedón.

With a geometric, textured surface, Kedón ceramic tiles create subtle depth and texture when placed on a wall. They measure 14" x 31", which is considered large format. Popularized in Europe, the use of large-format tiles as a design element is gaining strength and popularity in the United States. The Kedón collection is offered in two colors at The Tile Shop: pearl, a cool grey, and light, a warm neutral.

"The Tile Shop has the broadest assortment of ceramic wall tiles of any national specialty retailer. We are pleased to be adding the Kedón collection as yet another exciting and unique option for our customers, Pros and designers," said Kevin McDaniel, Lead Merchant at The Tile Shop.
